

LEGANTO IN 5 STEPS

1. EMBED LEGANTO INTO MOODLE

- Log in to Moodle
- Search your course
- Embed the Leganto list

2. LINK AND INSTALL

- Link your Mendeley account with Leganto
- Install "Cite it/Cítelo" in your browser bookmarks bar

3. ADD CITATIONS

- From all kind of physical/online resources
- By searching the Library catalogue
- Web resources from "Cite it/Cítelo"
- From your Leganto citation "Collection"
- By uploading attachments
- By filling in the blank form

4. CUSTOMISE THE LIST

- Create sections
- Organize the citations
- Add tags
- Add dates to hide/show citations
- Delete obsolete citations

5. CHECK AND PUBLISH

- Send the list to the Library for review
- Add comments for Library staff
- The Library check and publishes the list
