

## How to register to use SCIFINDER?

- 1) Click on the [registration link](#)
- 2) Carefully follow the instructions and fill in the requested information in detail, paying special attention to the following aspects:
  - a. The registration has to be done physically from IQS, connected to our network
  - b. The e-mail address for the registration must be from the IQS domain with the following format:  
[@iqs.edu](#) o [@iqs-blanquerna.url.edu](#)
  - c. Attention to the requirements it requests to specify the username and password (“[Tips](#)”)

### The username:

- Username must be 5-15 characters and contain at least one letter
- It must start with a letter or number, but may include numbers, dashes, underscores, periods, or @

### The password:

- Your password must contain a minimum of 7 and a maximum of 15 characters
  - At least 2 of the characters in your password must be different from your username
  - Your password must include at least three (3) of the following:
    - Letters
    - Mixed upper and lowercase letters
    - Numbers
    - Non-alphanumeric characters (e.g. @, #, %, &, \*)
- d. The registration email address is only useful for one user, i.e., it is not allowed to register more than one user with the same address

Once registered, CAS will send an email to the email address provided asking you to accept the terms of use of the program and then provide a link to access the program (make sure it does not end up in the Spam folder).

If you have any problems during the process, please do not hesitate to contact the Library by telephone, chat or in person.
